SANTA FE IS THE WAY

THE HONEYMOON

Tisn't likely that husband will feed wife actually all their lives, however fond he is on the wedding trip. Likely enough, however, he will pay for the feeding as long as life shall last—he should. Strict vegetarians read no further. Everything in the meat line that's considered first-class found every week-day in this first-class meatstore. Lots of husbands and wives to prove it. They don't believe they're overcharged, either.

Wellington Improved Egg Food

is different than other foods. It is not a stimulant but a genuine food tonic which builds up the system of the fowls, helps them digest their regular feed and get more good out of it. It is not a whip that lashes your fowls to extra exertion at the expense of their health, but a constant and gentle every day help that does permanent good.

Costs about 1 cent a day for 24 hens.

FOR SALE AT GROCERS, FEED STORES, and general supply houses, but if you cannot get it at your dealers send us his name and address and 25 cents and we will send you, prepaid, a package that will last a dozen hens 6 weeks and our book on feeding.
Send for our Book on Feeding, anyway. Free upon request.

The sale of Captain Kidd's house in New York the other day attracted no attention. When it comes to genuine piracy there are thousands of New Yorkers who have him beaten to death.

The talk about neglected Guam is having its effect. A Meriden, Conn., firm has just shipped 100 telephones to that ignored island. Hereafter Guam will be heard from.

A rich man died the other day. He died in the very midsummer of life, and he left his family \$1,000,000.

The doctor's certificate showed that death resulted from typhoid fever. The doctor himself said to a friend: "That man was a suicide. He had a splendid constitution. I could have pulled him through if his stomach had been sound. But he ruined his stomach by hasty meals, snatched in intervals of business and by neglect of symptoms which have been warning him a year past, that his stomach was failing in its duties."

The symptoms of a disordered stomach are, among others, variable appetite, sour risings, heartburn, undue fullness after eating, dull headache, dizziness, constipation, discolored eye, fluctuations in physical strength, nervousness, sleeplessness, depression. No person will have all these symptoms at once.

The restoration of the stomach to sound health, begins with the first dose of Dr. Pierce's Golden Medical Discovery. The cure progresses until the functions of the stomach are in healthy operation. Then the nerves are quiet and strong, the appetite healthful, the sleep restful, the eye bright, the complexion clear.

"Please accept my thanks for the benefit which my child received from your medicine," writes Mrs. W. A. Morgan, of Silica, Mo. "He had been troubled for nearly a year with liver complaint, indigestion and constipation. I gave him your 'Golden Medical Discovery' and 'Pleasant Pills,' and they did him great good. I gave him the 'Discovery' and eight months, and several visits of the 'Pleasant Pills' to be perfectly well now."

If you want a cure accept no substitute for "Golden Medical Discovery."

These ORIGINAL Little Liver Pills, first put out by Dr. R. V. Pierce over 40 years ago, have been much imitated but never equaled. They are made of purely vegetable, concentrated and reduced medicinal principles, extracted from native American roots and plants. They specially relieve and cure foul, torpid and deranged stomachs, livers and bowels and their attendant distressful ailments. One, two, a laxative, three or four a cathartic.

THE GAME OF GOLF.

A Pastime of Kings, With a Record of Over Four Hundred Years.

A game with a history of more than 400 years must necessarily have some interesting records. Golf has been greatly liked by kings. In the time of James I. it was generally practiced by all classes. The unfortunate Charles I. was devoted to golf. While on a visit in Scotland in 1641, as he was deeply engaged in a game news was brought him of the breaking out of a rebellion in Ireland, and the royal golfer threw down his club and retired in great agitation to Holyrood House. When he was imprisoned at Newcastle his keeper kindly permitted him to take recreation on the golfing links with his train. It is said that Mary, queen of Scots, was seen playing golf in the field beside Seaton a few days after the murder of her husband. In 1837 a magnificent gold medal was presented to St. Andrew's by William IV., to be played for annually. One of the earlier klugs forbade the importation of golf balls from Holland because it took away "na small quantitie of gold and silver out of the kingdom of Scotland," and at one time "golfe and futeball and other unprofitable games" were forbidden in England because archery, so necessary in the defense of the nation, was being neglected in their favor.—Pearson's Weekly.

A Great Greek Scholar.

When Professor Jacob Cooper of Rutgers was examined for admission to Yale in 1852 Tutor Talcott said to Mr. Cooper, "How much Greek have you read?" "Over 3,000 pages," was the reply. "You don't mean that, do you?" said Mr. Talcott. "Isn't it 3,000 lines?" "No, sir," was the reply. "When I say pages, I mean pages." In later life he declared that if all the Hebrew Bibles in the world were destroyed he could reproduce the text from memory.
